AGENDA

HIS MAJESTY KING ABDULLAH II IBN AL-HUSSEIN

HIS ROYAL HIGHNESS CROWN PRINCE AL-HUSSEIN BIN ABDULLAH II

Welcome Message

Dear colleagues, members of Jordan and Arab Societies of Nephrology and Renal Transplantation.

Dear distinguished guests, members of the International Society of Nephrology, UK Kidney Association, the International Pediatric Nephrology Association and Iraqi Society of Nephrology and Renal Transplantation

It gives us great pleasure and honor to welcome you all to the 21st Annual International Conference of Jordan Society of Nephrology and Renal Transplantation & The 6th IPNA Teaching Course in Clinical Nephrology that will take place in our beloved capital Amman.

The scientific committee has prepared a thorough and comprehensive scientific program covering important aspects of glomerular diseases, nephrology, hypertension, dialysis, renal transplantation, genetic and inherited disorders affecting the kidneys as well as metabolic and diabetic Nephropathy that we hope will meet the expectations of the attendees.

Prominent scientists and speakers from all Arab countries, Europe, and the United Kingdom have been invited to participate.

All this was achieved with the close cooperation between JSNRT and ASNRT, ISN, UKKA, IPNA, and for the fourth time our colleagues and friends from the **Iraqi Society of Nephrology and Renal Transplantation.**

Jordan is rich in its historical sites that go back to different civilizations; I hope that you will have the chance to visit these historical landmarks, including our beloved Petra, one of the Seven Wonders of the World, Baptism site, Dead Sea, Jerash, and the spectacular Wadi Rum.

We would like to extend our gratitude and appreciation to all the pharmaceutical companies and Drug Stores for their generous support and contribution to the success of this meeting.

Finally, we wish you all an enjoyable stay in Amman, and our beloved country, Jordan.

We hope that you will enjoy our hospitality and return home with pleasant memories.
