Grand Hyatt Hotel, Amman – Jordan

4:00-4:25 PM

Opening Ceremony

- | | |
|---------------------|-----------------------------------------------------------------------------------------------------------|
| 4:00-4:05 PM | National Anthem and Quran |
| 4:05-4:10 PM | Address by the Chair of the Scientific Committee
Dr Taher Abu Hejleh |
| 4:10-4:15 PM | Address by the President of the Jordan Oncology Society
Dr Fayez Tbaishat |
| 4:15-4:20 PM | Address by the President of Jordanian Medical Association
Dr Issa Al-Khashashneh |
| 4:20-4:25 PM | Address by Congress Patron, His Excellency The Jordanian Minister of Health
Dr Ibrahim Al-Bdour |
| 4:25-4:45 PM | Exhibition Opening |

THURSDAY | April 30, 2026

DAY 1

hikma.

4:45-5:10 PM

Speaker
Moderator

**Liquid Biopsy and NGS:
Redefining Precision Oncology**
Dr Taher Abu Hejleh
Dr Fayez Tbaishat

5:10-5:55 PM

Plenary Updates

Coordinator

Dr Issa Mohamad

5:10-5:25 PM

Speaker

**Radiation Oncology in 2026: Emerging Technologies
and Practice-Changing Advances**
Dr Jamal Khader

5:25-5:40 PM

Speaker

**Robotic and Minimally Invasive Approaches in
Oncologic Surgeries: Expanding Boundaries and
Refining Surgical Standards**
Dr Tarek Al-Hammouri

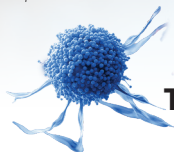

5:40-5:55 PM

Speaker

**Theranostics in Precision Oncology: Advances in
Molecular Imaging and Targeted Radionuclide
Therapy**
Dr Akram Al-Ibraheem

5:55-6:05 PM

Coffee Break

6:05-6:40 PM

Colorectal Cancer Session

Coordinator

Dr Amro Mureb

Panelists

Dr Kholoud Al-Qasem
Dr Ahmad Uriqat
Dr Rula Amarin
Dr Hani Al-Taani
Dr Sara Mheid

6:05-6:20 PM

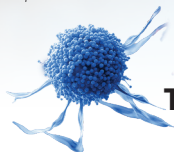

Speaker

Redefining Colon Cancer Management:
Neoadjuvant Strategies, Biomarkers and Beyond
Dr Kholoud Al-Qasem

6:20-6:40 PM

Presenter

Case Discussion – Colon Cancer
Dr Amro Mureb

THURSDAY | April 30, 2026

DAY 1

6:40-7:15 PM

Rectal Cancer Session

Panelists

Dr Tariq Al-Jaberi
Dr Basim Aljalabneh
Dr Yacob Saleh
Dr Ayah Rrjan
Dr Mohammad Titi

6:40-6:55 PM

Speaker

TNT and Organ Preservation in Rectal Cancer

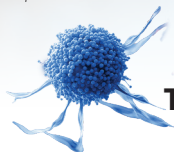

Dr Basim Aljalabneh

6:55- 7:15 PM

Presenter

Case Discussion – Rectal Cancer

Dr Amro Mureb

THURSDAY | April 30, 2026

DAY 1

7:15-7:40 PM

Speaker
Moderator

Integrating Panitumumab into Metastatic
Colorectal Cancer Treatment Algorithms

Dr Mohammad Al-Saudi
Dr Mohammad Obeidat

7:40-8:05 PM

Speaker
Moderator

Advancing Overall Survival in RAS Wild-Type
Metastatic Colorectal Cancer: What to choose for
First Line Treatment?

Dr Mousa Atmeh
Dr Hani Al-Taani

8:05-8:30 PM

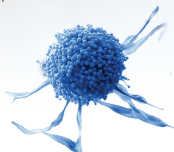

Speaker
Moderator

MR-Guided Radiation Therapy for GI Malignancy

Dr Ali Hosni - virtual
Dr Ahmad Salem

8:30 PM

Dinner

FRIDAY | May 1, 2026

DAY 2

8:00-8:15AM Registration & Coffee

8:15-8:45 AM

CNS Tumors

Coordinator

Dr Ahmad Khalil Ibrahim

Panelists

Dr Tareq Kanaan
Dr Rula Amarin
Dr Motasem Al - Hanaqta
Dr Loay Asad
Dr Haytham Saraireh

8:15-8:30 AM

Speaker

Key Updates in Gliomas

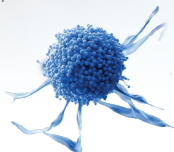

Dr Rula Amarin

8:30-8:45 AM

Presenter

Case Discussion

Dr Ahmad Khalil Ibrahim

Thoracic Oncology

Coordinator

Dr Mohammad Hasanat

8:45-9:10 AM

Refining First-Line Strategies in mNSCLC: Insights from IPSOS and the Role of PD-L1 Monotherapy

Speaker
Moderator

Dr Laith Shawbaki
Dr Mohammad Hasanat

9:10-9:35 AM

Advances in the Management of Small Cell Lung Cancer

Speaker
Moderator

Dr Sameer Yaser
Dr Sami Khatib

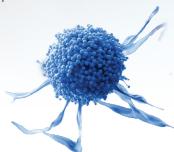

9:35-10:00 AM

Nivolumab in Resectable Non-Small Cell Lung Cancer

Speaker
Moderator

Dr Ayman Abu Kamar
Dr Sameer Yaser

FRIDAY | May 1, 2026

DAY 2

10:00-10:20 AM

Evolving Standards in Thoracic Oncology: Updates and Panel Discussion

Speaker

Dr Taher Abu Hejleh

Panel Discussion

Panelists

Dr Anoud Al Nsoor
Dr Husam Abu Jazar
Dr Riad AbdelJalil
Dr Yazan Suradi
Dr Salah Abbasi

Coffee Break will be available while sessions continue

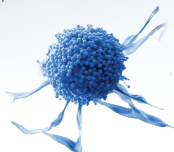

GI Oncology (Non-Colorectal)

Coordinator

Dr Mousa Atmeh

Panelists

Dr Nizar Ghnmein
Dr Raed Al-Jarrah
Dr Ahmed Salem
Dr Osama Abu Hlalah

10:20-10:50 AM

GI Oncology (Non-Colorectal)

10:20-10:35 AM

Advances in the Management of Gastroesophageal Cancers

Speaker

Dr Laith Karim Lutfi

10:35-10:50 AM

Case – Pancreatic Cancer

Presenter

Dr Raed Al-Jarrah

10:50-11:15 AM

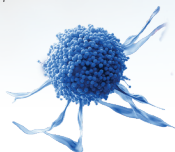

Nivolumab in the first line setting in metastatic gastroesophageal cancer

Speaker

Dr Rula Amarin

Moderator

Dr Osama Abu Hlalah

FRIDAY | May 1, 2026

DAY 2

Hepatobiliary Cancers

Coordinator

Dr Anas Zayed

Panelists

Dr Ali Dabous
Dr Khalid Obedat
Dr Rim Turfa
Dr Issa Mohamad
Dr Hazem Habboub

AstraZeneca

11:15-11:40 AM

Updates in the Treatment of Advanced Biliary Tract Cancer

Speaker

Dr Rim Turfa

Moderator

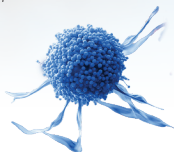

Dr Majdi Al Jaddayeh

11:40-12:05 AM

Case Discussion – Hepatocellular Cancer

Moderator

Dr Anas Zayed

FRIDAY | May 1, 2026

DAY 2

Melanoma & Sarcoma

Coordinator

Dr Laith Samhuri

Panelists

Dr Dina Braik
Dr Ahmad Shehadeh
Dr Ramiz Abu-Hijlih
Dr Firas Qarqaz
Dr Omar Jaber

12:05-12:15 PM

Speaker

Updates in The Management of Melanoma
Dr Firas Qarqaz

12:15-12:25 PM

Presenter

Case Discussion: Sarcoma
Dr Ahmad Shehadeh

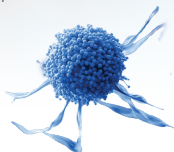

12:25-12:35 PM

Presenter

Multidisciplinary Case Discussion: Adult Prostatic Rhabdomyosarcoma
Group presentation by the multidisciplinary team

12:35-2:00 PM

Friday Prayer & Lunch

FRIDAY | May 1, 2026

DAY 2

2:00-2:30PM

Keynote Lecture

Incorporating Genomics and Other Omics in Future Precision Oncology Practice

Speaker

Dr Said Ismail

Abstract Presentations

Coordinator

Dr Fawzi Abuhijla

2:30-2:40 PM

Germline Mutations Among Jordanian Patients with Solid Tumors

Presenter

Dr Tamer Al-batsh

2:40-2:50 PM

ARCHERY: A Prospective Observational Study of Artificial Intelligence-Based Radiotherapy Treatment Planning for Cervical, Head & Neck, and Prostate Cancer

Presenter

Dr Issa Mohamad

2:50-3:00 PM

A CAD-Derived Expression Signature Is Prognostic for Survival in Cardiotoxic Therapy-Prevalent Cancers

Presenter

Dr Ahmad Salem

3:00-3:10 PM

The Transplant Microbiome: Persistent Dysbiosis After Allogeneic Hematopoietic Cell Transplantation

Presenter

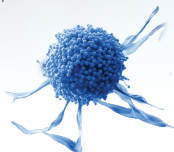

Dr Hasan Hashem

3:10 -3:20 PM

Treatment of Relapsed/Refractory High-Grade B-Cell Lymphomas with Point-of-Care Manufactured Anti-CD19.1-MB CAR-T Cells: A Single-Center Interim Analysis of a Phase II Trial from Jordan

Presenter

Dr Khaled Halahleh

FRIDAY | May 1, 2026

DAY 2

Head & Neck Cancer

Coordinator

Dr Suhaib Khater

3:20-3:30 PM

Advances in the management of Head and Neck cancers

Speaker

Dr Suhaib Khater

Panelists

Dr Hamza Ghatasheh

Dr Omar Alsaraireh

Dr Marwa Al Shati

Dr Tala Hyasat

Dr Areej Abu Sheikha

3:30-3:45 PM

Presenter

Case – Re-irradiation in Head and Neck Cancers

Dr Ra'ad AlSunna

3:45-4:10 PM

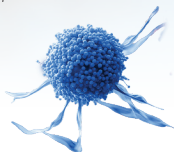

Evolving Paradigms in the Management of Locally Advanced Head& Neck Cancers

Speaker

Dr Osama Abu Hlalah

Moderator

Dr Issa Mohamad

Genitourinary Cancers

Coordinator

Dr Baha' Sharaf

4:10-4:35 PM

Speaker

Moderator

Optimizing mCRPC Patient Pathways With Pluvicto

Dr Alaa AbuFara

Dr Faik Madanat

4:35-5:00 PM

Speaker

Moderator

Updates in the Management of Renal Cell Carcinoma

Dr Salah Abbasi

Dr Ali Daghamin

5:00-5:45 PM

Presenter

Panelists

Case Discussion – Bladder Cancer

Dr Mohammad Al-Rwashdeh

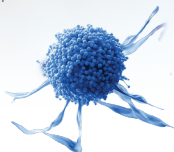

Dr Ramiz Abu-Hijlih

Dr Zaid Al Kilani

Dr Mohammad Hasanat

Dr Ali Al-Daghamin

5:45-5:55 PM Coffee Break

Gynecologic Oncology

Coordinator

Dr Mohammad Al-Saudi

Baxter

5:55-6:20 PM

Advanced Ovarian Cancer:
Current Standards and Evolving Strategies

Speaker

Dr Dina Braik

Moderator

Dr Mohammad Al-Saudi

Panelists

Dr Isam Lataifeh
Dr Yazan Talab
Dr Omar Hamdan
Dr Wajdi Alnajada
Dr Dina Braik

6:20-6:35 PM

Presenter

Case Discussion – Cervical Cancer
Dr Rawan Ayyad

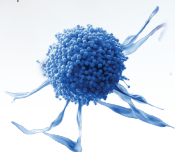

6:35-6:55 PM

Presenter

Case Discussion – Ovarian Cancer
Dr Isam Lataifeh

8:00 PM

Gala Dinner (by Invitation)

SATURDAY | May 2, 2026

DAY 3

Breast Cancer

Coordinator

Dr Khattab Alqato

hikma.

9:00-9:25 AM

Treatment Continuity Matters: Choosing a CDK4/6 Inhibitor Beyond Efficacy Curves

Speaker
Moderator

Dr Osama Al Shara
Dr Khattab Alqato

9:25-9:50 AM

Evolving Treatments in HER2-Positive Breast Cancer: Integrating Evidence, Patient Selection, and Possible sequencing

Speaker
Moderator

Dr Faris Tamimi
Dr Khattab Alqato

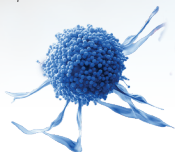

NOVARTIS

9:50-10:15 AM

New updates in Early Breast Cancer Management

Speaker
Moderator

Dr Bassel Jallad
Dr Hani Al-Taani

AstraZeneca

10:15-10:40 AM

A New Hope for Patients with Metastatic HER2+ Breast Cancer

Speaker

Dr Sana Al Sukhun

Moderator

Dr Mahmoud Al-Balas

Panelists

Dr Hanan Almasri

Dr Mahmoud Abu Daqqa

Dr Salwa Saadeh

Dr Bassel Jallad

10:40-10:55 AM

Case: HER2-Positive Metastatic Breast Cancer

Presenter

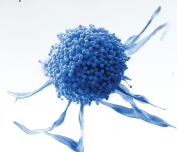

Dr Maher Sughayer

10:55-11:10 AM

Management of Resectable TNBC – Case Presentation

Presenter

Dr Maryam El-Atrash

Hematologic Malignancies

Coordinator

Dr Zaid Abdel-Rahman

Panelists

Dr Mohammad Ma'koseh

Dr Abeer AbouYabis

Dr Enas Abusalim

11:10-11:25 AM

Evolving Treatment Paradigms in Multiple Myeloma:
From Sequencing to Strategy

Speaker

Dr Abeer AbouYabis

11:25-11:40 AM

Acute Myeloid Leukemia; Latest updates in
Management and Emerging Therapies.

Speaker

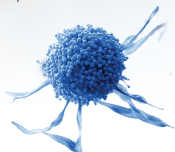

Dr Enas Abusalim

11:40-11:55 AM

Updates in the Management of Relapsed Follicular
Lymphoma

Speaker

Dr Mohammad Ma'koseh

11:55-12:15 PM

Speaker

Moderator

CML Management updates

Dr Hisham Bawa'neh

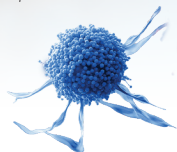

Dr Zaid Abdel-Rahman

12:15-12:25 PM

Q&A

12:25-12:35 PM

Coffee Break

Pediatric Oncology

Coordinator

Dr Hasan Hashem

12:35-12:50 PM

Pediatric Cancers in Adult Patients: Shared Biology or Distinct Entity?

Speaker

Dr Iyad Sultan

12:50-1:05 PM

Practice-Changing Innovations in Childhood Cancer: What Truly Moved Survival Curves?

Speaker

Dr Rawad Rihani

1:05-1:35 PM

When Brain Lesions Defy Tumor Logic: A Diagnostic and Therapeutic Crossroads

Case Presenter

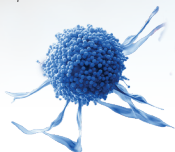

Dr Tala Shalakhti, MD

Moderator

Dr Hasan Hashem

Panelists

Dr Rawan Budair
Dr Maher Khader
Dr Maysa Al-Hussaini
Dr Nazmi Kamal

Palliative Care

Coordinator

Dr Alia Alawneh

1:35-2:15 PM

Early Integration of Palliative Care into Medical Oncology Practice

Panelists

Dr Mohammad Shawagfeh

Dr Fadi Abu-Farsakh

Dr Sanad Melhem

Closing Ceremony

2:15-2:25 PM

Closing Remarks

2:30 PM

Lunch

Jordan Oncology Society

The 27th International Congress of the Jordan Oncology Society
Standard of Care in Oncology: The Latest Advances

Biographies

30 April – 02 May 2026
Grand Hyatt Hotel, Amman – Jordan

Alphabetical compilation

Dr Abeer N. AbouYabis is a Consultant in Hematology and Medical Oncology at King Hussein Cancer Center. She is triple board-certified in Internal Medicine, Hematology, and Medical Oncology, with extensive expertise in benign and malignant hematology.

Dr Ahmad Khalil Mahmoud Ibrahim is a Consultant Radiation Oncologist at King Hussein Cancer Center, Amman, Jordan. He completed fellowship training in Pediatric and CNS Radiation Oncology at the University of Toronto.

Dr Ahmad M. Shehadeh is a Senior Consultant in Orthopedic Oncology and Limb Salvage Surgery at King Hussein Cancer Center, Amman, Jordan, where he also leads the Orthopedic Oncology Unit. He is recognized for his expertise in musculoskeletal oncology, limb salvage, and bone and soft tissue tumor surgery.

Dr Ahmad Uriqat is a Jordanian general and colorectal surgeon with senior leadership experience at the Jordanian Royal Medical Services. Dr Ahmad has extensive expertise in the surgical management of colorectal cancers

Dr Ahmed Salem is a Radiation Oncology Consultant and Assistant Professor at the Hashemite University, Jordan, and an Honorary Senior Clinical Lecturer at the University of Manchester, UK. His work focuses on clinical oncology, cancer biology, and radiotherapy research.

Dr Akram Al-Ibraheem is Chairman of the Department of Nuclear Medicine at King Hussein Cancer Center, Amman, Jordan, and a Consultant in Nuclear Medicine. He is also Head of the Thyroid Cancer Multidisciplinary Team and a recognized leader in nuclear medicine nationally and internationally.

Dr Alaa O. Abu-Fara is a Medical Oncology Consultant at King Hussein Cancer Center, Amman, Jordan. He has particular expertise in lymphoma and genitourinary malignancies.

Dr Ali Dabous is a consultant transplant and surgical oncologist at King Hussein Cancer Center in Amman, Jordan. He also serves as Director of the Surgical Oncology Fellowship Program and has advanced training in hepatopancreatobiliary surgeries, and surgical oncology.

Dr Ali Daghamin is a consultant urologist with expertise in genitourinary cancers. He practices at Abdali Medical Center, Amman, Jordan.

Dr Ali Hosni Abdalaty is a Radiation Oncologist at Princess Margaret Cancer Centre and Associate Professor at the University of Toronto, Canada. His expertise includes head and neck, gastrointestinal, and genitourinary radiation oncology, with a strong focus on clinical research

Dr Alia Alawneh currently works at Jordan University of Science and Technology and King Abdullah University Hospital. She has 15 years of experience in palliative care across clinical and academic settings. Her research interests focus on prognostication, palliative care education, and improving quality of care for patients with serious illness through evidence-based practice and training.

Dr Amro Ahmed Mureb is a surgical oncology Consultant at King Hussein Cancer Center, Amman, Jordan. He has advanced expertise in laparoscopic, and robotic surgery.

Dr Anas Zayed is a Medical Oncology Specialist at King Hussein Cancer Center, Amman, Jordan. He treats patients with thoracic, GI and Breast Cancers.

Dr Anoud Al Nsoor is a consultant radiation oncologist at King Hussein Cancer Center in Amman, Jordan. Her training includes radiation oncology residency at KHCC. Her main expertise is in radiation in Thoracic Malignancies.

Dr Areej Abu Sheikha is a consultant medical oncologist at King Hussein Cancer Center in Amman, Jordan. Her main focus is on gynecological cancers and Head & Neck cancers.

Dr Ayah Rrjan is a consultant radiation oncologist at King Hussein Cancer Center in Amman, Jordan. Public profiles list her training in radiation oncology and her clinical interests in neurooncology and gastrointestinal malignancies.

Dr Ayman Suleman Abukamar is a Consultant in Clinical Haematology, Medical Oncology, and Bone Marrow Transplantation at the Military Cancer Center, Royal Medical Services, Jordan. His expertise covers solid and hematological malignancies

Dr Baha' Sharif Ahmad Sharf is a Medical Oncologist at King Hussein Cancer Center, Amman, Jordan. He is involved in cancer prevention and genetics services and has clinical and research interests in breast cancer, GU cancers and hereditary cancer risk.

Dr Basim Aljalabneh is a consultant surgical oncologist at King Hussein Cancer Center. His training includes fellowships in the United Kingdom.

Dr Bassel M. Jallad is a Consultant Physician in Hematology and Medical Oncology at Cleveland Clinic Abu Dhabi, UAE, and Associate Professor of Medicine at Lerner College of Medicine, Cleveland Clinic. He specializes in hematology, medical oncology, with specific focus on breast cancer

Dr Dina M. Braik is a Consultant Medical Oncologist at King Hussein Cancer Center, Amman, Jordan. Her subspecialty expertise includes gynecologic malignancies, sarcoma, melanoma, and rare tumors.

Dr Enas Abusalim is a Consultant Hematologist based in Amman, Jordan, with experience in clinical hematology, bone marrow disorders, and advanced therapies including CAR-T and gene therapy. She is also involved in academic teaching and hematology service development.

Dr Fadi Abu-Farsakh is a consultant in palliative medicine at King Hussein Cancer Center in Amman, Jordan. He has robust experience in hospice, supportive oncology, and symptom management.

Dr Faik Madanat is a consultant hematologist and medical oncologist in Jordan. He currently practices in the private sector, with longstanding experience in hematology and medical oncology

Dr Faris Tamimi is a Consultant in Medical Oncology at King Hussein Cancer Center, Amman, Jordan, with a specialized focus on breast oncology and clinical cancer genetics. His work also reflects a strong interest in global oncology and clinical research.

Dr Fawzi Abuhijla is a Consultant Radiation Oncologist and Associate Member at King Hussein Cancer Center, Amman, Jordan. He has particular interest in precision radiotherapy techniques.

Dr Fayez Tbaishat is a Jordanian clinical oncologist who practices at Al Bashir Hospital in Amman. He is currently the president of the Jordan Oncology Society (JOS).

Prof Firas Al-Qarqaz is Professor of Dermatology at Jordan University of Science and Technology, Irbid, Jordan. He has extensive expertise in dermatology, dermatosurgery, and laser medicine .

Dr Hamza Ghatasheh is a consultant radiation oncologist at King Hussein Cancer Center in Amman, Jordan. His training includes a fellowship at Princess Margaret Hospital in Toronto, and his main work focuses on head and neck cancers.

Dr Hanan Almasri is a consultant radiation oncologist at King Hussein Cancer Center in Amman, Jordan. She had a fellowship training in breast oncology, gynecologic oncology, and brachytherapy, alongside clinical and academic work in radiation oncology.

Dr Hani Al-Taani is a consultant I Hematology and Medical Oncology at King Abdullah University Hospital in Irbid, Jordan. He has contributed to national discussions on oncology awareness and cancer care.

Dr Hasan Kamal Hashem is Consultant in Pediatric Oncology at King Hussein Cancer Center, Amman, Jordan. He specializes in pediatric hematology, oncology, and bone marrow transplantation.

Dr Haytham Saraireh is a Radiation Oncology Consultant in Jordan with over two decades of experience in cancer treatment, clinical research, and patient care. He is a former Head of the Radiation Oncology Department at the Royal Medical Services, holds board certification in Radiation Oncology from Jordan and Greece, and has particular expertise in thoracic oncology and advanced radiotherapy techniques.

Dr Hazem Habboub is a Jordanian consultant interventional radiologist with experience in diagnostic and interventional radiology. He held leadership roles in radiology within Jordan and note particular expertise in vascular and neuro-interventional radiology.

Dr Hisham Subhi Hussin Bawa'neh is a Consultant in Internal Medicine, Hematology, and Medical Oncology at Al-Bashir Hospital, Amman, Jordan, where he also serves as Head of the Hematology Department. He has advanced fellowship training in acute oncology from Princess Margaret Cancer Centre, Toronto.

Dr Husam Abu Jazar is a consultant medical oncologist at King Hussein Cancer Center in Amman, Jordan. His main expertise is in thoracic malignancies, and bone marrow transplant.

Dr Isam Lataifeh appears publicly as Dr Isam Lataifeh, a professor and consultant in obstetrics, gynecology, and gynecologic oncology in Jordan. Public profiles describe him as a senior gynecologic oncology specialist with academic and clinical leadership experience.

Dr Issa Mohamad is a Consultant Radiation Oncologist at King Hussein Cancer Center, Amman, Jordan, where he leads the Head and Neck Cancer Radiation Oncology Service and the Stereotactic Body Radiotherapy Service.

Dr Iyad Sultan is a Clinical Professor of Pediatrics at the University of Jordan, Consultant Pediatric Hematologist and Oncologist at King Hussein Cancer Center. He is now the Artificial Intelligence Officer at KHCC, Amman, Jordan. He is widely recognized for his leadership in pediatric oncology, healthcare informatics, and AI-driven cancer care.

Dr Jamal Khader is a Consultant Radiation Oncologist at King Hussein Cancer Center, Amman, Jordan, and Chairman of the KHCC Education and Training Academy. He is a leading figure in radiation oncology, with extensive expertise in thoracic, genitourinary, and gastrointestinal cancers.

Dr Khalid Halahleh is Director of the Adult Bone Marrow Transplantation and Cellular Therapy Program at King Hussein Cancer Center, Amman, Jordan. He is a Consultant in Medical Oncology, Hematology, Bone Marrow Transplantation, and Cellular Therapy, with particular expertise in lymphoma and hematologic malignancies.

Dr Khalid Obedat is a consultant general surgeon and associate professor at King Abdullah University Hospital and Jordan University of Science and Technology.

Dr Khattab Alqato is a Clinical Oncologist at Al-Bashir Oncology and Radiation Oncology Hospital, Amman, Jordan. He leads one of the busiest breast cancer clinics in the country and has particular expertise in breast cancer and advanced radiation therapy.

Dr Kholoud Al-Qasem is a Medical Oncologist at King Hussein Cancer Center, Amman, Jordan. She is board certified in internal medicine and medical oncology, with extensive experience in medical oncology and cancer care.

Dr Laith Lutfi is a Senior Specialist in Hematology and Medical Oncology at the Military Cancer Center, Jordanian Royal Medical Services, Amman, Jordan. His expertise includes hematologic malignancies, solid tumors, and bone marrow transplantation.

Dr Laith N. Al-Showbaki is a Consultant Medical Oncologist at Jordan University Hospital and Assistant Professor of Internal Medicine at the University of Jordan, Amman, Jordan. He has advanced fellowship training from Princess Margaret Cancer Centre, Toronto, with special expertise in breast and gastrointestinal malignancies.

Dr Laith Samhouri is Director of the Saudi Center for Radiation Therapy at King Abdullah University Hospital and Assistant Professor at Jordan University of Science and Technology, Jordan. He is a radiation oncologist with extensive training and leadership experience in Germany, with expertise in advanced radiotherapy techniques.

Dr Loay Asad is a Consultant Neurosurgeon with training and practice experience in Germany and the United Kingdom, and is listed on the GMC specialist register. He holds the German Board of Neurosurgery (FA), Hannover, and completed clinical fellowships in neurosurgery at the Royal Victoria Hospital, Oxford University Hospital, United Kingdom, with expertise in skull base surgery, neurooncology, and complex spine surgery.

Dr Maher Khader is a Jordan-based pediatric hematology and oncology physician.

Dr Maher Sughayer is Chairman of the Department of Pathology and Laboratory Medicine at King Hussein Cancer Center in Amman, Jordan. He trained in pathology and cytopathology in the United States and is recognized for leadership in diagnostic pathology and laboratory medicine.

Dr Mahmoud Abu Daqqa is a Jordanian consultant in plastic, reconstructive, and breast tumor surgery..
Dr Mahmoud Al-Balas is a Jordanian surgeon and academic with expertise in breast oncoplastic, reconstructive, and general surgery. He is also an associate professor at The Hashemite University

Dr Mahmoud Al-Balas is a Jordanian surgeon and academic with expertise in breast oncoplastic, reconstructive, and general surgery. Public profiles list him as an associate professor at The Hashemite University with additional clinical work in breast and oncology-related surgery.

Dr Mariam Alatrash is a Medical Oncology Consultant at King Hussein Cancer Center, Amman, Jordan. She is board certified in internal medicine and medical oncology, with experience in systemic cancer treatment and clinical research.

Dr Marwa Al Shati is a consultant in Pathology and Laboratory Medicine at King Hussein Cancer Center. She contributes to the pathology faculty and diagnostic services supporting multidisciplinary cancer care.

Dr Maysa Al-Hussaini is the Chairperson of the Department of Cell Therapy and Applied Genomics at King Hussein Cancer Center. She is a consultant in pathology and laboratory medicine with expertise spanning histopathology, cytopathology, and translational cancer diagnostics.

Dr Mohammad Al-Saudi is a Senior Specialist in Medical Oncology at the Military Cancer Center, Amman, Jordan. He is board certified in internal medicine and medical oncology, with expertise in solid tumors and hematologic malignancies.

Dr Mohammad Al Hassanat is an oncologist at Al Bashir Hospital, with extensive involvement in the multidisciplinary management of cancer patients. His work emphasizes the integration of modern oncologic therapies and optimization of treatment strategies, with a particular focus on balancing efficacy and toxicity in daily clinical practice.

Dr Mohammad Atef Al-Rwashdeh is a Consultant Medical Oncologist at King Hussein Cancer Center, Amman, Jordan. He has special expertise in lymphoma and genitourinary malignancies, with fellowship training at Princess Margaret Cancer Centre, Toronto.

Dr Mohammad Salah Ma'koseh is a Consultant in Medical Oncology and Hematopoietic Stem Cell Transplantation at King Hussein Cancer Center, Amman, Jordan. He is Head of the Lymphoma Service with special expertise in lymphoma and bone marrow transplantation.

Dr Mohammad Shawagfeh is a consultant with expertise in palliative care and pain management

Dr Mohammad Titi is a consultant Gastroenterologist at Abdali Hospital. He specializes in Endoscopic ultrasound and advanced GI endoscopy. He completed his fellowship training at University of Kansas.

Dr Mohammed Bader Obeidat is a Consultant Medical Oncologist and Hematologist at the Military Cancer Center, Amman, Jordan. He has extensive expertise in medical oncology, hematology, and academic teaching within the Royal Medical Services.

Dr Motasem Al-Hanaqta is a consultant radiation oncologist at the Royal Medical Services.

Dr Mousa Tarek Atmeh is a Consultant Medical Oncologist at the Military Cancer Center, Amman, Jordan. He is board certified in internal medicine and medical oncology, with

expertise in solid tumors and hematologic malignancies. **Dr Nazmi Kamal** is a consultant in pathology and laboratory medicine at King Hussein Cancer Center in Amman, Jordan. training includes hematopathology, anatomic pathology, and cytopathology in the United States, and he has held senior pathology leadership roles in Jordan.

Dr Nizar Ghnmein is a consultant in radiation oncology at the Royal Medical Service in Jordan.

Dr Omar Alsaraireh is an otolaryngologist, head and neck oncology surgeon, and microvascular reconstructive surgeon in Jordan. He currently practices at King Hussein Cancer Center and note leadership experience in head and neck surgery and reconstructive cancer care.

Dr Omar Hamdan is a consultant in Pathology who currently leads the pathology department at the Specialty Hospital.

Dr Omar Jaber is a consultant pathologist at King Hussein Cancer Center specializing in anatomic pathology, cytopathology, and soft tissue and bone pathology. His training in the United States includes surgical pathology, cytopathology, and subspecialty work in musculoskeletal and sarcoma pathology.

Dr Osama Abu Hlalah is a Consultant Medical Oncologist and Hematologist at Abdali Hospital, Amman, Jordan. He is fellowship trained in hematology, oncology, stem cell transplantation, and cellular therapy, with extensive experience in Jordan and the United States.

Dr Osama Mohammad Al-Shari is a Consultant Medical Oncologist at Jordan University of Science and Technology, Irbid, Jordan. His expertise includes medical oncology, hematology, and bone marrow transplantation, supported by advanced training in Belgium.

Dr Ramiz Abu-Hijlih is a consultant radiation oncologist at King Hussein Cancer Center. He has broad clinical and academic work in radiation oncology, training, and multidisciplinary cancer care with a focus on Genitourinary Cancers.

Dr Rawad Suleiman Rihani is Chairperson of the Department of Pediatrics and Consultant in Pediatric Hematology-Oncology, Blood and Marrow Transplantation, and Cellular Therapy at King Hussein Cancer Center, Amman, Jordan. She is a leading figure in pediatric oncology and stem cell transplantation in the region.

Dr Rawan Budair is a consultant in pediatric hematology and oncology at King Hussein Cancer Center. Her recent training includes pediatric infectious diseases at St. Jude Children's Research Hospital and fellowship work in pediatric hematology-oncology at KHCC.

Dr Rawan Majid Ayyad is a Radiation Oncology Specialist at the Military Cancer Center, Royal Medical Services, Amman, Jordan.

Dr Ra'ad AlSunna is an ENT, head and neck surgery, and microvascular reconstruction consultant at King Hussein Cancer Center.

Dr Ra'ed AlJarrah is an HBP and Liver Transplant Surgeon at Royal Medical Services, Jordan. He specializes in hepatobiliary surgery, liver transplantation, and advanced laparoscopic HBP surgery.

Dr Riad AbdelJalil is a consultant thoracic surgeon and Head of the Thoracic Oncology Program at King Hussein Cancer Center.

Dr Rim Turfa is a Consultant in Hematology and Medical Oncology at King Hussein Cancer Center, Amman, Jordan, where she also serves as Head of the GI Oncology Service. She has extensive expertise in gastrointestinal oncology. Dr Rula Amarin is a consultant oncologist at King Hussein Cancer Center in Amman, Jordan. Her main expertise is in CNS and GI tumors.

Dr. Said I. Ismail is Professor in the Genomics and Precision Medicine Program at Hamad Bin Khalifa University, Doha, Qatar. He is a leading researcher in molecular genetics, genomics, and precision medicine, with extensive academic and scientific leadership experience.

Dr Salah Yousef Abbasi is a Consultant in Medical Oncology and Hematology in private practice at AlKhalidi Hospital, Amman, Jordan. He is American board certified in internal medicine, medical oncology, and hematology, with extensive experience in oncology practice and academic medicine.

Dr Salwa Saadeh is a consultant in medical oncology and hematologic malignancies at King Hussein Cancer Center. Her training includes medical oncology in Jordan and advanced hematology and BMT fellowship work at Mayo

Clinic and Harvard associated programs.
