# Welcome Message

Dear colleagues and friends,

On behalf of the organizing committees, we are pleased to invite you to the Seventh International Congress for the Jordanian Society of Pathology held from 31 August to 2 September 2023 at Landmark Amman Hotel & Conference Center, Jordan.

This congress will be of a high level of varied scientific activities delivered by distinguished and renowned international, Arabic and local speakers in all major fields of pathology and will be a great opportunity for the participants to meet and network with their colleagues from different parts of the world.

A scientific exhibition of pharmaceuticals and medical equipment is also planned, allowing for the discussion and exchange of information between relevant delegates and leading industrial companies.

We cordially express our gratitude to all those planning to attend and to the participating organizations, agencies, and companies for their support.

We look forward to welcoming our guest participants to our beautiful country which is rich in archaeological, touristic, and religious sites such as Petra, one of the Seven Wonders of the World, the Dead Sea, the lowest point on Earth, and Jerash, the most important remaining ancient roman city.

Your Sincerely,

**Maher Sughayer, M.D. FCAP, FASCP**  
President, The Jordan Society of Pathology  
President of the Congress
